Louth, LN11 0YZ

**MAIN SPONSOR OF LOUTH
TOWN FOOTBALL CLUB**

Good afternoon everyone and a very warm welcome to todays match here at the MKM Louth Stadium.

Whether you're a regular supporter, a first-time visitor, or one of our travelling guests, it's fantastic to have you with us today.

As a club, we pride ourselves on being at the heart of the local community, and days like today are a brilliant reminder of what makes non-league football so special — passionate fans, dedicated volunteers, and a genuine love for the game. Our players and staff have worked hard both on and off the pitch in preparation of the season, and are really looking forward to the year ahead.

We hope you enjoy the match, the atmosphere, and the hospitality that we have to offer. Please don't hesitate to grab a bite at the food hut, say hello to our volunteers, and soak up the spirit of grassroots football at its best.

Thank you for your continued support — and come on you White Wolves!

Steve Clark
Chairman, Louth Town FC

Premier Club Partner 2025/26

Good evening and welcome to the MKM Louth Stadium under the lights. A warm welcome to Doncaster City FC and their supporters – we hope you enjoy your visit and the match. There's no hiding from the fact that we're going through a tough spell at the moment. Results haven't been what we'd hoped for, and it's frustrating for everyone involved. We're missing a few key players through injuries and suspensions, which naturally takes its toll – but that's part of the game, and it gives others a chance to step up and show what they can do.

What's important now is that we stick together – as players, staff, and supporters. There's a lot of football still to be played, and we've got a good group in that dressing room who care deeply about getting things right. We'll keep working hard and doing everything we can to turn things around, starting tonight.

As always, a huge thank you for your continued support. It means the world to the lads, especially during a tough run. Let's stick together and make sure this place stays a tough one for any side to come to.

Enjoy the game.

C. Martin

THE WHITE WOLVES

Club Name:	Louth Town
Founded:	2007
Nickname:	The White Wolves
Chairman:	Stephen Clark
Secretary:	Pete Herriman
Manager:	Carl Martin
Assistant Managers:	Paul Coulam, Simon Aldrich
Last Season:	15th NCEL Division One

History

Louth Town were formed in May 2007 when Louth United decided not to continue fielding a team in the Central Midlands League. The ground at Park Avenue had already been sold but local businessman Kerry Coggle with the backing of Steve Appleby, was able to secure a short term lease on the ground and with the support of the CMFL committee, and a group of willing helpers, Louth Town was formed. After finishing a creditable 10th in their first season Town were rocked when manager Steve Morley announced that for personal reasons he could no longer continue managing the team.

Andy Holmes was appointed but due to unforeseen work commitments he had to stand down and with 3 weeks to go before the start of the 2008/9 season, Paul Walden was brought into the club, Paul, who was previously manager of Skegness Town in the Lincs League has a wealth of experience and was able to bring a number of talented players into the club. Paul made an immediate impact with the team, winning all but 3 of 28 league games during the season to win the league by 9 clear points and be promoted to the Supreme League as champions. There was also a Challenge Cup semi final appearance.

It was then decided that as part of their progression, the club would form a reserve team to play in the Lincs League for the 2009/10 season. The 2009/10 season proved to be even more successful than the season before as the first team won the Supreme Division by 8 clear points, won the CMFL Floodlit Cup and were finalists in both the CMFL Challenge Cup and the Lincs FA Senior Trophy. By winning the league, promotion to the Northern Counties East League was gained.

They were also awarded the CMFL "Team of the Season" for the second year running. As well as the first team and reserves, season 2010/11 saw the introduction of an 'A' team in the East Lincs Combination, a team in Division 3 of the Grimsby & Cleethorpes Sunday League as well as junior teams at U18, U13, U12 and two at U11, bringing the total number of teams playing under the Louth Town banner to nine. Half way through the 2010/11 season, manager Paul Walden announced that he would be leaving at the end of the season, but then decided to go at the beginning of March.

The club acted swiftly and brought in former Selby Town duo Mick Gray and John Steeples who steadied the ship and guided the team through to the end of the season and a more than creditable 6th place finish in the White Wolves first ever season in the NCEL. There was a further twist to the Louth Town story in May 2011 as Gray and Steeples left the club by mutual consent. They were surprisingly replaced by Paul Walden, who agreed to return for a second spell in charge.

There was great excitement at Park Avenue in July 2011 when it was announced that as well as securing a further lease on the stadium the club had also been accepted into the 2011/12 FA Cup for the first time in their history. The team's first run in the FA Cup brought some excitement as both Gedling Miners Welfare and Holbrook Sports were beaten before the White Wolves bowed out with a 2-0 defeat to Evo-stik League side Buxton in front of 335 supporters at Park Avenue. In the league, Louth were somewhat inconsistent and finished the season in 12th place in the NCEL Division 1. There were emotional scenes at the end of the season as manager Paul Walden left the club, deciding to retire from football management altogether.

Walden was replaced at the helm by former pro Daryl Clare and was assisted by Carl Forman for season 2012/13 and they led the team to their highest ever finish in the football pyramid, finishing 3rd in the table and also reaching the final of the NCEL League Cup. Season 2013/14 proved to be a major disappointment as the team struggled at the bottom end of the NCEL league table for the whole campaign, winning just 6 league matches out of a possible 42 and ending the season with just 20 points.

Clare left the club by mutual consent midway through the season, to be replaced once more by "Mr Louth Town", Paul Walden who was coaxed out of retirement for a third spell in charge. Although the White Wolves ended the season in an automatic relegation place, the team were reprieved after the unfortunate demise of Dinnington Town and once again competed in the Northern Counties East League Division 1 that following season.

In June 2016, Louth Town were blocked access to the Park Avenue group by the landlord who intended to use the land for development, meaning that Louth Town had to be relocated outside of the town.

The 2016/17 season saw Louth Town reformed in the Balcan Lighting Football League with Carl Forman returning as manager.

The newly formed side finished in a creditable 10th place. In May 2017, it was announced that Louth Town Football Club, who also run a number of sides that play in various leagues around Lincolnshire from Under 7's right through to Under 16's had been awarded the Charter Standard Development Club of the year for Lincolnshire, a huge accolade and credit to all of the hard working Committee members, staff, volunteers, players and parents.

We have regularly competed at the top end of the Lincs League, when football was stopped due to COVID we were sat with a real chance of winning the league. When football was finally allowed to be played again in 2021/22, we finished a very credible 4th.

The 2022/23 season saw us competing with Crowle Colts, Lincoln Moorlands and Wyberton for league honours. Carl Martin assisted by Mark Westerby were relentless in their drive and determination to deliver success to the football club. Wyberton were the team to take it to the last game of the season before succumbing 3-1 and handing Louth Town the league title. It was Wyberton again who were beaten in The Supplementary cup to hand Louth the double.

Back in the Northern Counties East League the club have consolidated, in 2023/24 the club finished a very creditable 13th and 15th in 2024/25.

History

Doncaster City was founded in 2022 following Doncaster being awarded City status as part of the Queen's platinum jubilee celebrations. The club competed in EV2 Sportswear Sheffield and Hallamshire County Senior League in its first season, sealing the title in convincing fashion.

The next season we competed in a highly competitive Central Midlands Black Dragon Premier Division North managing a credible 2nd place finish and winning the league cup to add another piece of silverware to the cabinet.

Our 3rd season and only our 2nd season in the Central Midlands provided the club with a 1st place finish sealing promotion to the NCEL, Whilst also finishing runners-up in the league cup.
